

In **Geography**, we'll be finding out:

- About our own local area and environment in order to compare it with other areas
- Looking at maps world and local
- How to use the knowledge we gain about different environments to offer opinions about their features
- About the different weather and climates of different countries and our own seasonal weather

In **Art & Music**, we'll be finding out:

- About some of the forms used by artists in their work
- How to use a variety of materials and processes to create holiday posters and seasonal pictures
- How to play simple rhythms with a steady beat

In **Society**, we'll be finding out:

- About our British Values of tolerance, respect for others, the laws that keep us safe and an understanding of our democracy.

Let's Go On Holiday (IPC) Year 1 Autumn 2018

In **International**, we'll be finding out and sharing our experiences

- About the different holidays of the children in the class

In **English** we will be studying

- Recounts about our holidays
- Story telling, looking at the book 'Harry and the dinosaurs go on holiday'
- Poetry - bonfire poems and seasonal poems
- Instruction writing, discovering how to make Christmas decorations

In **Science**, we'll be finding out:

- About materials and their properties based on those we find in our locality and on the local beaches
- Pollution and it's effects on our favourite holiday beaches
