

In Geography, we'll be finding out:

- About the weather and climatic conditions in particular localities and how they affect the environment and the flowers and insects living there

In Art & Music, we'll be finding out:

- About some of the forms used by artists in their work
- How to use a variety of materials and processes
- About a number of pieces of music associated with flowers and insects
- How to play simple rhythms with a steady beat

Flowers & Insects (IPC)

Year 1

In English we will be:

- Writing a bean diary
- Learning and writing about Jack & the Beanstalk
- Looking at information texts about insects
- Reading and writing minibeast poems

In Science, we'll be finding out:

- About the conditions needed for flowers and insects to grow and survive
- How to conduct simple investigations
- How to sort living things in to groups
- About habitats

In International, we'll be finding out:

- About flowers and insects in our host country.
