Additional meetings are held for committee purposes in between these dates.

The Governing Body continues to make an enormous impact upon the education of the children within the federation, meeting regularly to make strategic decisions for the benefit of all. Our governors are a credit to the federation with expertise in business, personnel, finance, SEN and safeguarding. Over the last twelve months the governors have overseen three successful Ofsted Inspections, analysed good data results from the children, authorised new equipment and resources and monitored major repairs and improvements at three of the schools. The federation recognises life in modern Britain and continues to hold Britishness Days.
