

Google Classroom Instruction Sheet

A quick reminder of how to access Google Classroom and complete work that we have set for you whilst you are working from home.

Sign into RM Unify using your email address style login e.g. jbloggs@st-michaels-pri.devon.sch.uk (if you need reminding how to sign in, please ask your class teacher).

Click on the Google Classroom tile in RM Unify, and then click on your class name.

Click on the Classwork tab at the top of the page to see all of the activities set for you by your teacher.

For any task that requires written work to be seen by your teacher, there will be a blank Google Document for you to edit. Please use this when you can to evidence any work or to leave any notes for your class teacher to see/respond to.

Once you have completed all tasks in this blank document, click on the 'Turn in' button in the top right-hand corner. This will ensure that the teacher can review/respond to your work.
