Dear Parents and Carers

Sadly, this year due to COVID 19, we will not be allowing children to send Christmas cards within school.

However, we have seen a wonderful idea from another school and we think it is something special that we would like to introduce here at St Michael's.

As a result of the current Covid restrictions, many children are missing out on celebrating their birthday with friends as they usually would.

Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their class friends! We have decided we will hold a birthday party within each bubble on the last afternoon of each half term. This will be to celebrate all children who have had their birthday that half term.

During that afternoon, school will provide fun games, activities, snacks/treats and a party atmosphere. There will also be a little cake for each birthday child! Friends of the School have very kindly agreed they will cover the party costs.

Thank you for your continued support.
