Additional meetings are held for committee purposes

The Governing Body continues to make an enormous impact upon the education of the children within the federation, meeting regularly to make strategic decisions for the benefit of all. Our governors are a credit to the federation with expertise in business, personnel, finance, SEN and safeguarding. The governors have overseen three successful Ofsted Inspections, analysed good data results from the children, authorised new equipment and resources and monitored major repairs and improvements. The federation recognises life in modern Britain and continues to hold Britishness Days.
