

As Musicians we will:

- Make different sounds with instruments.
- Recognise repeated patterns.
- Follow instructions about when to play.
- Clap short rhythmic patterns.

As Citizens we will:

Follow our RE programme of study and in PHSE we will

- Explore comfortable and uncomfortable feelings.
- Focus on building relationships.
- Discuss anti-bullying strategies.
- Learn about identity and self-esteem.
- Think about difference and diversity.

As Linguists we will:

- Use phonetic knowledge to decode and read familiar words and phrases.
- Identify features of fiction and non-fiction texts.
- Explore descriptive writing.

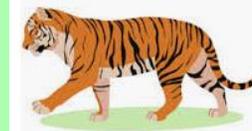

Year One Spring Term 2021

Welcome to Spring Term 2021! We hope you find this brief overview useful. Please use it to support your child's learning.

As Athletes we will:

- Take part in weekly outdoor P.E lessons.

Our Big Questions:

Why are humans not like tigers?

Why can't a meerkat live in the North Pole?

As Scientists we will:

- Identify and classify creatures.
- Sort living and non-living things.
- Name the parts of animals and humans.
- Talk about what we see, touch, feel, hear and taste.
- Learn about how an animal is suited to an environment.
- Ask and answer questions, giving simple reasons for the answers.

As Computer technicians we will:

- Use a simple 'paint' program.
- Research our topic online.
- Learn about e-safety with Smartie the Penguin.

As Artists we will:

- Explore lines of different thicknesses with pencils and paint brushes.
- Name and use primary and secondary colours.
- Use paint to convey a variety of moods.
- Create collages.

As Geographers we will:

- Find out about different localities and habitats.
- Develop key questions to ask about a locality.
- Learn how to locate the equator, North Pole and South Pole on a globe.
- Learn about and record the weather.
