

Froglets Autumn Term 1 - Overview 2021

Focus Question... 'What makes me special?'

Personal, Social and Emotional Development: We will be focusing on how we have changed since we were babies - celebrating our similarities and differences. We will talk about our thoughts and feelings, focusing on what makes us happy and what we love about ourselves.

Communication and Language: We will develop our love of words and language by exploring new texts, specifically focusing on families and life at home. We will talk about what makes us special, our likes and dislikes and foster friendships and relationships in setting, through shared play.

Physical Development: We will explore our amazing bodies, challenge ourselves to try new physical activities and investigate ways to keep ourselves healthy and happy. We will be developing our balance and different ways to move whilst exploring the outside environment.

Also this Half

Term... We will be talking about our **class charter** and welcoming new children into our setting. We will be investigating **Autumn** by looking for signs of changes in the natural world around us.

Literacy: We will be exploring different ways to make marks using a range of materials. We will be listening to and retelling stories, sharing books and talking about people who are special to us.

Mathematics: We will be using numbers to represent members of our families and develop confidence to use numbers to 5 and beyond. We will use 2D and 3D shapes to create pictures.

Understanding the World: We will be using our senses to explore a range of materials. We will be talking about and asking questions about different occupations and celebrating our uniqueness.

Expressive Arts and Design: We will be creating self portraits using a wide range of different media and materials. We will be using instruments to express our feelings and moving our bodies to different types of music, exploring sounds we like and how they makes us feel.
