

Year Three Spring 2nd Term 2022

Here is our topic for this half term. Please use it to support your children's learning. They are welcome to bring things into class that are related to our topic and if any adults would like partake in any way, please see your child's class teacher.

As Artists we will:

- Use our sketch books to express feelings about a subject and to describe likes and dislikes
- Make notes in our sketch books about techniques used by artists and suggest improvements to our own work.

As Linguists we will:

- Have daily No-Nonsense spelling lessons, learning spelling rules and patterns.

As Citizens we will:

- Consider the environment and study relevant local and international news stories

The Big Question:

Has Greece always been in the news?

As Technologists we will:

- Design and make a rock sculpture using different-sized rocks.
- Evaluate our designs and say how they could be improved next time.

As Computer technicians we will:

- Create a presentation combining text and images that can move from slide to slide which is aimed at a specific audience.

As Musicians we will:

- Compose, appraise and perform music using a range of instruments.

As Athletes we will:

- Take part in our outdoor P.E sessions every week.

As Scientists we will:

- Compare and group together different rocks based on their properties
- Describe and explain how different rocks can be useful to us?
- Describe how fossils are formed?
- Recognise that soils are formed from rocks and organic matter?
- Begin to relate the properties of rocks with their uses and classify different types of rock
