A DBS disclosure is required for this post.

BACKGROUND

Our federation of schools provide the highest quality of primary education and is led by the Executive Headteacher, Martin Harding.

St. Michael's at Kingsteignton remains the largest in the federation led by Mrs Kate Arnold, Head of School. St. Michael's is hugely popular with a waiting list of parents keen to join the school. Popularity and success has increased the school to approx. 470 pupil size with two classes in each year group. Although the school building is the oldest of the four, with extensions and improvements

St. Michael's is fortunate to offer a full range of facilities including a large playing field. A successful Breakfast and After School Club is a huge bonus to working parents and the town, together with nearby Newton Abbot, offers many amenities including the community run Kingsteignton Pool.

St. Catherine's at Heathfield was founded in March 1898. It, like St. Mary's and Marldon, is a Voluntary Aided Church of England School and this tradition is maintained. A brand new school building was completed in September 2005 and St. Catherine's now caters for children from 4 – 11 and currently has approx. 160 on roll including Pre-School children aged 3 & 4. (Head of School – Mrs Victoria McCaig). St. Catherine's also offers an Early Birds Club as an early morning drop-off point for parents, together with Nightingales After School Club.

St. Mary's, Brixton, Nr. Plymouth was also purpose-built for primary education in 1989 on donated land to replace the original Victorian school. The school is in a very pleasant setting and enjoys an excellent community relationship with many groups in the village. Mr. Adrian Clements is Head of School which has increased in size over the last six years – presently having just over 100 children in school – almost to capacity.

Marldon School, Nr. Paignton (also Voluntary Aided Church School) is another hugely popular school of choice in the middle of Marldon village and has close links with the thriving local community, including the Neighbourhood Lunch Club which provides lunches for elderly people in the village. Since it was built in 1964 the school has significantly changed, pupil numbers have more than doubled, now approx. 200, and the building has been adapted to accommodate these children. (Head of School – Jonathan Arnold).

Ipplepen School is very fortunate in occupying one of the most spacious and attractive sites in the whole of Devon, with a large playground, extensive playing field and an environmental area with pond. This highly popular community school has approx. 180 children on roll and Mr. Marcus West is the Head of School and Deputy Executive Headteacher. A separate 'Saplings' Pre School works collaboratively with the school offering care from age 2½ together with Breakfast and After School Clubs from age 2½ to 11.

Stokeinteignhead School is the latest addition to the federation in a beautiful location just outside Newton Abbot. The federation was delighted when the governors agreed to welcome Stokeinteignhead, with just under 100 children on roll in four classes, into the group. Head of School - Joanna Crathorne.

STAFFING

The Executive Headteacher works in close partnership with the Heads of School, Assistant Headteachers, Senior Leadership Teams and staff to further develop all federation schools. We have a hard-working and friendly team of teaching assistants, administration staff, play-workers and meal time assistants who, together with our catering, caretaking and cleaning staff, strive to make our federation the finest it can be. Several staff have joint roles across the federation and can be seen at different schools during the working week.

GOVERNORS

The United Schools Federation has a governing body of 18 meeting at least twice a term. The governors are, without doubt, a credit to the school and work tirelessly to support the Executive Headteacher and Heads of Schools.
