

Year Four Spring Term 1 2023

This term we are going to be looking at Geography and where we could build a city. To facilitate and support your children's learning, please use this overview sheet.

As Geographers we will:

- Locate the world's countries using maps to focus on Europe and North and South America.
- Name and locate counties and cities of the United Kingdom.
- Identify the significance of latitude and longitude, Equator, Northern Hemisphere, Southern Hemisphere, The Tropics of Cancer and Capricorn, Arctic and Antarctic circle.
- Understand geographical similarities and differences through the study of human and physical geography.

As Linguists we will:

- Learn about habitats and its key vocab in French
- Listen attentively to spoken language
- Remember new language using picture, word and phrases cards.
- Improve gist reading and gist listening skills.

Where Would You Choose To Build A City?

As Musicians we will:

- Develop our listening, composing and playing skills through the song 'Lean on me'.

As computer technicians we will:

- Learn how to create and edit spreadsheets.
- Learn how to use 2Animate
- Learn about onion skinning in animation.

As Athletes we will:

- Learn to create and perform dances.
- Take part in outdoor team building games.

As Citizens we will:

RE: What does it mean to be a Hindu in Britain today?

PSHE: We will learn about:

- Healthier friendships
- Group dynamics
- Smoking
- Alcohol

As Mathematicians we will:

- Learn about length and perimeter
- Fractions
- Decimals

As Authors we will:

- Use our persuasive language skills to explain why someone should visit a city like Exeter with a focus on the book 'A Walk in London' by Salvatore Rubbino.
