

Dear Parents/Carers of Year Six,
Summer Term 2023

Here is our topic for this term. Please use it to support your children's learning.

As Citizens we will:

RE

Be able to say what kind of king Jesus was and how faith helps people when life gets hard.

PSHE

Be able to identify healthy and positive relationships and understand changes that our bodies will go through.

As Athletes we will:

Take part in weekly indoor and outdoor P.E lessons.

As Computer Technicians we

will: Use Purple Mash to learn about text adventures, networks and quizzing.

As Scientists we will:

- Look at how light travels and how it is seen by the human eye.
- Explain how shadows are formed.
- Create electrical circuits and understand how the components function in a variety of ways.

As Artists we will:

Use software packages to create digital art.

The Big Question:

How would you
light up your life?

As Readers we will:

Participate in whole-class reading lessons with Skellig (by David Almond) and a range of texts.

As Authors we will:

- Learn to write balanced arguments about the atmosphere and environment.
- Write poetry based on an animation.

As Musicians we will:

Develop our listening, appraising and performing skills through the 'Music and Me' unit that focuses on composing music to represent our identity.

As Linguists we will:

- Apply previous skills and knowledge of topic areas such as places in a town, food items, directions, homes and numbers to develop our speaking and listening abilities.
-
- Say and write a sentence to tell the time.

As Mathematicians we will:

Be problem-solving and applying our mathematical skills to complete investigations.
Answer questions that involve statistics and discuss the properties of shapes.
