

Dear Parents/Carers of Year Four,  
Summer Term First Half 2023  
Here are our topics for this half-term. Please use it to support your children's learning.

**As Citizens we will:**

**RE**

Learn what the impact of Pentecost was for Christians.

**PSHE**

Learn about relationships exploring jealousy, love and loss, showing appreciation for people and animals.

**As Athletes we will:**

Take part in weekly indoor and outdoor P.E lessons.

**As Computer Technicians we will:**

- Learn to write for different audiences
- To explore how font size and style can affect the impact of a text.

**As Scientists we will:**

**1. Learn about animals including humans**

- Identify and name parts of the human digestive system
- Know the functions of the organs in the human digestive system
- Identify and know the different types of teeth in humans
- Know the functions of different human teeth
- Use food chains to identify producers, predators and prey
- Construct food chains to identify producers, predators, and prey.

**2. Learn about living things and their habitats**

- recognise that living things can be grouped in a variety of ways
- explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment
- recognise that environments can change and that this can sometimes pose dangers to living things.

**As Artists we will:**

Create images and pieces of art inspired by famous artists.

**As Readers we will:**

Participate in whole class reading, using our class novel:  
'The Girl Who Stole an Elephant.'

**As Authors we will:**

- Learn to write a narrative free verse poem inspired by The Beachcomber.
- Learn to write a letter from the perspective of a bug inspired by Dr Fisher.

**As Musicians we will:**

Develop our listening, composing, playing and performing skills through Blackbird by the Beatles.

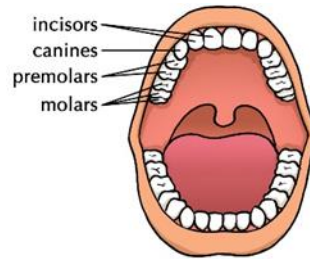

**As Mathematicians we will:**

- Learn about all things decimals, representing and writing decimals, ordering, comparing and rounding decimals.
- Money- pounds and pence, ordering, converting and calculating with money.

**As Multi-linguists we will:**

In French we will learn all about

- The classroom
- Our home

**The Big Question**  
What happens to the food we eat?
