

# Froglets Autumn Term 2 - Overview 2023

## Focus Question... 'Which colours make you feel happy?'

**Personal, Social and Emotional Development:** We will be discussing our favourite colours and why they make us feel happy. We will be talking about happy and sad feelings, how we can help ourselves feel better when challenges occur and how it feels to make others happy.

**Communication and Language:** We will continue to develop our love of words and language by exploring new texts, including some amazing WOW words and what they mean. We will be extending our sentences to add detail when we talk to each other and share our preferences.

**Physical Development:** We will explore our fingers and the amazing things they can do - they can draw, clap, wiggle, play and even help us to use scissors! We will be exploring the range of ways different animals move by flying like owls, creeping like hedgehogs and running like foxes!

**Also this Half Term...** We will be exploring what makes us say 'WOW' by sharing WOW moments from home, discussing the WOW of fireworks night and finally sharing the amazing WOW of the Christmas story.

**Literacy:** We will be exploring the different ways our bodies can make marks and strengthening our fine motor control. We will focus on comprehension and understanding during story time.

**Mathematics:** We will be sorting and categorising colours, finding them in the natural world and within our classroom. We will be making repeating patterns using a range of different objects.

**Understanding the World:** We will be colour hunting for the 7 rainbow colours within our environment and exploring the changeable British weather as Autumn turns to Winter.

**Expressive Arts and Design:** We will be creating owl collages using a range of different materials and exploring how we can mix colours to make even more colours and different shades.
