

Froglets Overview - Spring Term 1 2024

Focus Question: 'What would you find on the farm?'

Oh Dear!

A lift-the-flap book

By the
creator of
Dear
Zoo

Rod Campbell

Personal Social Emotional Development:

Focusing on farm / zoo animals and which pets we have / would like to have. How do we care for pets and for ourselves? Talking about our favourite animals / pets and why we love them.

Communication and Language:

To foster a love of books and story making by beginning to learn repeated phrases from a text to retell the story independently. Can we listen to and make different animal sounds?

Physical Development:

Exploring different ways to move and sound like animals - learning about our bodies and what they can do! My body is amazing - How can I move it in a range of different ways?

Also this Half Term...

We will be welcoming some new friends into our Froglets family, investigating the season of **Winter** and exploring the theme of **Love** - one of our school Christian Values.

Literacy: Developing our fine motor control through mark marking to write letters to a farmer with questions we have. Exploring amazing adjectives to describe animals and learning new words to extend our growing vocabulary. Sharing books at school and discussing why we love to read.

Mathematics: Investigating size, measure and ordering objects whilst thinking about our favourite animals and the pets we have at home. Developing our data collection skills, how to record our findings mathematically and recording numbers to 10 in a range of different ways.

Understanding the World: Exploring the features of different animals, their homes and what they produce. Discussing how to care for animals on farms and across our World.

Expressive Arts and Design: Constructing enclosures for our pets - designing and building a range of structures and exploring shape. Using our imagination to create our own unique animals!
