

Year Four Spring Term 1 2024

This term we are going to be looking at *Geography* and where we could build a city. To facilitate and support your children's learning, please use this overview sheet.

As Scientist's we will:

- compare and group materials together, according to whether they are solids, liquids or gases
- observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C)
- identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.
- develop our skills in scientific investigation

As Linguists we will:

- Learn about how to present myself in French
- Remember new language using picture, word and phrases cards.
- Improve gist reading and gist listening skills.

The Big Question: How would we survive without water?

As computer technicians we will:

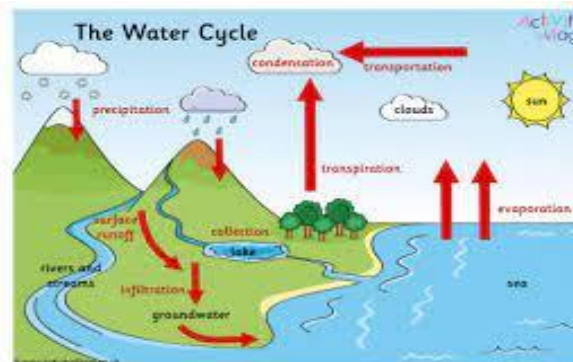

- Learn how to create and edit spreadsheets.
- Learn how to format cells and create formulae.

As Citizens we will:

RE: What does it mean to be a Hindu in Britain today?

PSHE: We will learn about:

- Setting goals
- How to achieve our ambitions.
- How to overcome disappointment
- How to work in a group.

As Musicians we will:

- Develop our listening, composing and playing skills through the song/rap 'Stop!'.

As Athletes we will:

- Learn to create and perform dances.
- Take part in outdoor team building games.

As Mathematicians we will:

- Be learning about multiplication and division facts and methods of calculation.
- Learn about fractions and how we find them using our multiplication and division facts.

As Authors we will:

- Use our descriptive skills to write a setting as part of a story.
- Our focus book will be 'The Paper Bag Prince' by Colin Thompson.
