Steps to lead us into gathered worship

1. When we worship in class we need to remember to sing. You can either sing one of the songs or watch this to start, <https://www.youtube.com/watch?v=yxFfhVpiDEE> this helps the children to identify the time as worship.
2. Light the candle and say the following: The adult/s will say 'We are here to worship' and the children will say back 'Worship, reflect and flourish.'
3. Share story or thought for the time, this does not have to take a long time.
4. Finish with a song or the above link and blow candle out.

All KS1 and KS2 collective worships are on a Monday. Generally the pattern will be Tuesdays, Wednesdays and Thursdays will be space in classrooms for the children to share what they have remembered, recap story of the term, and for us to lead worship on a smaller scale using simply worship where it has been used in assembly or the terms story, or maybe another one that links. The worship books are for the class to keep a record of what we have been doing in worship, they can link to the story, or be a record of something like Black History Month, this is because all of our lives are an act of worship

Year Group services at Church
