Year One Autumn Term 2 2026

Music

Know how to use our voices expressively and creatively through singing songs and speaking chants and rhymes.

Christmas songs ready for performance.

In RE we will learn:

Why do Christmas matter to Christians?

Know who Christians believe Jesus is.

Know what happens in the story of the birth of Jesus.

PSHE

Know what bullying is and who to talk to.
Know how to make new friends.
Know how I am similar and different to my friends.

Maths-Place Value within 10

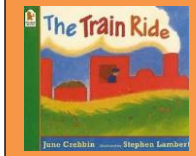
Know about fact families and addition facts within 20.
Know how to write number sentences.
Know how to find one more and one less.
Know how to add and subtract on a number line.

Children will represent and use number bonds and related addition and subtraction facts. They will work towards solving one-step problems that involve addition and subtraction, using objects, pictures and recording where appropriate.
We will learn about 2D and 3D shapes in a practical way, using the outdoor space to explore shapes in nature. They will learn to recognize and name 2D and 3D shapes and continue patterns.

DT- Moving parts and axels.

Know how to use mechanisms to make a moving vehicle.
Know how to investigate, design, make and evaluate their finished train.

English- To write a poem.



As authors our writing will be inspired by our cross curricular learning linked to The Train Ride.

Know to verbally rehearse sentences before writing.
Know when writing we will punctuate sentences using full stops, question marks and capital letters.

As readers we will explore a wide range of poems, recognize and join in with predictable phrases.

Computing

purple mash

Know that data can be represented in a picture.
Know how to collect data and input it to create a picogram.

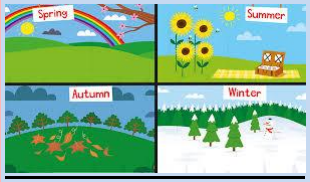
PE-.Athletics and dance.

Know how to move with increasing accuracy when throwing at a target as well as learning how to receive a ball.
Know how to play various invasion games.
Know how to move to music and create their own dances.

Geography – What do I know about the UK and where I live?

Know my address and postcode.
Know what road signs mean.
Know the names of the countries that make up the United Kingdom.
Know how to use a simple map.
Know the difference between a village, town and city.

Science -How do Seasons change?



Know the names of the four seasons.
Know the weather normally associated with each season.
Know we have longer periods of daylight in the Summer and shorter periods of daylight in the Winter.
